

THE 7 MARKERS OF MATURITY

How do I know I am going deeper
in my Christian faith?

The Bible gives a clear picture of the things that keep us growing to be more like Jesus. When each of these is increasing, we grow closer to Jesus and follow Him into the world with His love and good news! These are:

Bible Engagement

Growing in our knowledge of, love for, and application of God's Word

Passionate Prayer

Deepening our communication with God and in community with others

Wholehearted Worship

Praising and celebrating God's goodness with His people, in the flow of life

Humble Service

Helping others in the name of Jesus in the church and around our community

Joyful Generosity

Increasing our love for giving and sharing all God has placed in our care

Consistent Community

Expanding our engagement in fellowship with God's people in the church and around the world

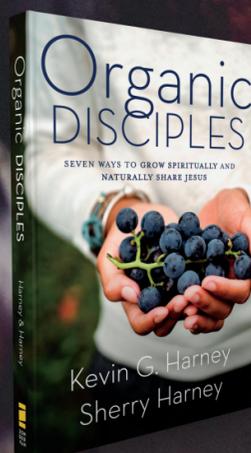

Organic Outreach

Impacting the world with the good news of Jesus through our prayers, actions, and words

DISCIPLESHIP IS BIGGER THAN JUST ME AND JESUS

And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others. —2 Timothy 2:2

There are always four generations of people who are part of the journey of Organic Discipleship:

Generation 1:

Someone to influence me

We all need more mature believers who are part of our lives and helping us grow in the 7 markers of maturity.

Generation 2:

I need to tend to my own growth

We are each responsible to pay attention to our own growth journey and keep taking steps forward as we become more like Jesus.

Generation 3:

Someone I am influencing to grow up in their faith

We are each called to take the hand of someone who we can help grow up in Christlikeness.

Generation 4:

We inspire and equip the people we influence to do the same with others

We can equip those we influence spiritually (disciple) to do the same with others.

When we follow this simple and beautiful biblical model we discover that generation after generation of people learn to grow in faith. Each believer takes the hand of someone who helps them grow up in faith and also the hand of someone who needs to grow. As they take another hand, and they take another hand, we climb the hill of faith together and the world is transformed in the power of Jesus!
