

## Wholehearted Worship

### A beginning guide for Family Worship

---

**Have A Plan:** know what songs your kids like and make sure you have them loaded somewhere.

**Have A Purpose:** music teaches Scripture and biblical truths to our kids. Use the time you have with your kids to teach and encourage a love for God and others.

**Have A Posse:** make sure everyone is on the same page to make sure the Worship time is filled with songs your child and everyone else knows. That way you can engage together.
